

DELTA fläche IP44, AP Dark gray/light gray Two-way switch, 10A 250V SCHUKO socket outlet with spring flap 10/16 A 250 V, 66x 151 mm

Model	
product brand name	DELTA
product designation	SCHUKO socket outlet
design of the product	Pushbutton
design of the socket	SCHUKO
design of the actuating element	rocker/button
switch design	toggle switch
General technical data	
mounting type	surface mounting
surface processing	others
material	thermoplastic
Supply voltage	
operating voltage rated value	250 V
Protection class	
protection class IP	IP44
Breaking Capacity	
switching capacity current	10 A
Main circuit	
operational current	
• rated value	10 A
• of socket outlet rated value	16 A
Appearance	
appearance	shiny
RAL color number (similar)	7 035
color	grey
Product details	
product component integrated light source	No
product feature halogen-free	Yes
product feature transparent	No
Number	
number of sockets	1
Mechanical Design	
height	151 mm
width	66 mm
depth	54 mm
fastening method	screw mounting
mounting position	vertical
Net Weight	198.6 g

material of the enclosure

plastic

151

A technical drawing of a vertical rectangular component. The drawing shows a main rectangular body with a height dimension of 151 and a width dimension of 54. The top and bottom edges of the main body are slightly rounded. On the right side, there is a vertical line that is slightly offset from the main body's right edge, extending from the top to a point about one-third of the way down, then a horizontal line segment, and finally a diagonal line segment connecting back to the main body's right edge. This suggests a mounting bracket or a specific feature on the right side of the component.
