

SENTRON, cylindrical fuse holder, 10x38 mm, 3-pole, In: 32 A, Un AC: 690 V, for busbar system 8US 60 mm

| Model                                   |                             |
|---|-----------------------------|
| product brand name                      | SENTRON                     |
| product designation                     | Cylindrical fuse holder     |
| design of the product                   | For 60 mm 8US busbar system |
| General technical data                  |                             |
| number of poles                         | 3                           |
| size of fuse link                       | 10 x 38 mm                  |
| Supply voltage                          |                             |
| operating voltage                       |                             |
| • at AC rated value                     | 690 V                       |
| protection class IP                     | IP20                        |
| Mechanical Design                       |                             |
| height                                  | 200 mm                      |
| width                                   | 27 mm                       |
| depth                                   | 79 mm                       |
| Net Weight                              | 231 g                       |
| Certificates                            |                             |
| reference code according to IEC 81346-2 | F                           |
| Approvals Certificates                  |                             |
| Environment                             | General Product Approval    |
