#### Offer text

Fixing clamp with caddy clip for quick mounting on suitable profile steel without drilling. White colour, solvent-free powder-coated. The quantity and mounting positions depend on the system ceiling, luminaire load and luminaire arrangement. Observe the specifications of the ceiling manufacturer.

The fixing spacing of the fixing clips in a continuous line application must not exceed 1200 mm - 1250 mm. Further information on mounting and fixing luminaires can be found in the mounting instructions.
